

FAB Lab Equipment Usage Rules

Booking the LASER ENGRAVER, VINYL CUTTER, or 3D PRINTERS is contingent on completing BOTH the online AND in-person components of the certification course. If you have not completed BOTH components, you are not eligible to use the machine.

If you have completed the online component only, please contact Ignite Studio staff at 317.579.0331 or IgniteReservations@hepl.lib.in.us to book your appointment for the in-person component. Booking the in-person component of certification via our online reservation system is not possible. YOU MUST CONTACT IGNITE to book the appointment.

Reservations will be canceled at the time of arrival for patrons, who have not completed BOTH components of certification. These will be rescheduled for a different date to accommodate the in-person training.

Reservations will be canceled if the patron is more than 15 minutes late without notifying Ignite staff.
